Imagine together

32 picture question cards + 4 draw-and-tell pages · Ages 4-8

1. Make the cards

Print pages 1-8 single-sided at 100% on Letter. A grown-up cuts around the solid outline. Do not fold the cards: each picture and question stays together.

2. Pick and wonder

Choose one card. Read it aloud and take time to imagine. There are no right answers. You may pass, change the story or make up a new question.

3. Draw and tell

Use pages 9-12 if you would like to draw your ideas. You can tell a story aloud instead. Younger children can point, make a sound or ask a grown-up to write their words.

Keep the story going

32 picture question cards + 4 draw-and-tell pages · Ages 4-8

A circle story

One person starts with a card. Each person adds a sentence, a gesture or a sound. Say Pass whenever you like.

Two-card mix

Choose any two cards. Could the characters become friends? Could the places join together? Make a story that belongs to both cards.

A gentle reminder

Everything on these cards is pretend. Imagine tasting, flying or meeting wild animals in a story; keep real play safe. Stop whenever you have had enough.
